

The Carnivorous Plant Society

Conservation Project Funding Request Form

Before applying for project funding, ensure that you have read the Conservation Fund Guidelines to check that your project meets the necessary criteria. If you have any questions please contact us at the email address given at the end of this form.

Section 1 - Personal Details

Name:

Address:

Telephone number:

Email:

Name and address of any affiliated Organisation//Educational Institution:

Section 2 - Project Information

Please tell us about the project and its value to the conservation of carnivorous plant species. You may wish to include: an introduction to the project; a rationale for embarking upon the study; study materials and methods; how the study will answer the specific questions posed; significance and potential benefits of the study (particularly for carnivorous plants); information about where the project will be carried out. These are just suggestions – you may wish to add more, or different, detail.

Section 2 - Project Information (continued)

A large, empty rectangular box with a thin blue border, occupying most of the page. It is intended for the user to provide project information.

Section 3 - Purpose of CPS Funding – how the money will be used.

Section 4 - Additional information that you feel is relevant to your application

Thank you for applying to the Carnivorous Plant Society UK. Please forward the completed form to: dragonbites11@gmail.com

You will be contacted if any further information is required or as soon as a decision has been made.
